HOLLAND MILLS POOL RULES PHASE 1 2020 SEASON

1. Premier Property Management has hired pool monitors to help enforce with social distancing and total volume of residents in the pool area at all times that the pool is open. All our rules are based on CDC and DDPH guidelines, which must be observed or risk pool closure.

2. There is only ONE UNISEX BATHROOM at this time to limit disinfection tasks. Please be respectful of others and KEEP 6 FOOT SOCIALLY DISTANT EVEN IN THIS BATHROOM AREA AND HALLWAY. Follow the hand washing guidelines posted for your convenience.

3. All seating (which you must bring) must be again 6 FOOT SOCIALLY DISTANT from another unless you are here with your immediate family and/or household members.

4. You will sign in and use personal identification to validate you are a resident or living with a resident. No exceptions. You must also sign a waiver before entry for each adult and it will be kept on file for reference. You are strongly advised to submit your waiver BEFORE coming to the pool to avoid delays.

A MAXIMUM of THIRTY FIVE PEOPLE (35) TOTAL including children are allowed in the pool enclosure area at a time to comply with DDPH rules now in effect. Once the maximum number has been reached, if additional people wish to enter, those who have been inside the pool area for 2 hours or more may be asked to leave to enable others to utilize the pool. These requests will be on a first in, first to leave basis.

Please be considerate, especially if there are children waiting to go in!! Let them have fun finally after being in a compromised environment for so very long.

5. The pool gate handles, ladders, bathroom, door handles, bathrooms, all will the disinfected EVERY TWO HOURS. There will be NO CLEANING of your chairs or personal items. Bring wipes/cleaners for yourself to enhance our cleaning procedures if you would like and to make yourself feel secure. You may be asked to move for the monitor to clean near you. Please again be cooperative. This will happen every two hours or at the monitor’s request.

6. ONLY CHILD FLOATATION DEVICES AND NOODLES are allowed in the pool at this time.

7. Please note that these are the PHASE ONE RULES and will be revised as the protocols allow. Read the rules often as they are subject to change per CDC and DDPH.

8. Do not leave any personal items behind if you leave the pool enclosure area. Always check behind you! Items left will be removed.

9. Have fun and be conscientious of social distancing and pool rules for all residents’ safety.

10. IF you do not feel well, and have symptoms of COVID, DO NOT USE the POOL! If you develop symptoms within 14 days of using pool, report this to Jennifer Melson at Premier Property and your physician. Free testing for COVID 19 is currently WITHOUT a doctor’s prescription. Contact DDPH at DE,GOV.CORONOVIRUS.
